A photograph of a green printed circuit board (PCB) component, likely a power supply or control unit. The board is L-shaped and features several electronic components and markings. At the top left, there is a blue component with gold pins. Below it, a yellow circle with a black 'A' is visible. To the right of this, the text 'E85792-653-0' is printed. Further right, the text 'HF 88. CK77-83 3' is visible. In the center, there is a large orange circular component. To the right of this, the text 'US 94V-0' is printed. At the bottom left, there is a gold-colored component with the text '333333' printed on it. The board is set against a white background.
